

# Midlands Evaluation Community of Practice

March 2022

Midlands  
Decision Support  
Network

# Contents

Welcome and introductions

Network update

Presentation: *Challenges of carrying out economic evaluation locally*  
(Lisa Cummins, The Health Economics Unit)

Plans for next meeting

# Introductions

Please introduce yourself in the chat box

# Network update

The MDSN has been funded by all the NHSEI Midlands ICSs for another 12 months

A DSU for each of the 11 systems and one for NHSEI Midlands

Evaluation COP:

- Continued funding for our meetings
- Some budget for external speakers
- Funding to support a collaborative project – bringing together members of the COP to collaborate, supported by the MDSN
- Funding for more training (3 sessions)

# Presentation

## Challenges of carrying out economic evaluation locally

Lisa Cummins – Health Economics Unit (MLCSU)

**Massive thanks to Lisa for  
volunteering to present to us  
today**

# Open forum

Any ideas for topics which might be of interest to members?

- For us to identify (internal and external) speakers
- For us to provide training on

## **For the next meeting:**

- Have a think about a topic you'd be interested in collaborating on across systems.

See you on **May 24<sup>th</sup>!**
